Long-term Care

Glencroft’s Providence Place long-term care services are based on resident preferences, needs, and abilities. Long-term care residents require complete care for medication, feeding, and ambulation. Providence Place is a secure, pleasant and permanent home for people with complicated clinical needs. Residents enjoy an enriched, supportive environment through discovery and creativity with the guidance and encouragement of a well-trained and caring staff.

Residents who have suffered from conditions such as a stroke, diabetes, chronic obstructive pulmonary disease (COPD), or congestive heart failure (CHF) find excellent care at our Medicare-certified skilled nursing facility, approved for Arizona Long-Term Care System (ALTCs) residents.

Providence Place services include:

• 24-hour nursing services	• Evolving levels of care
• Advanced memory care	• Licensed by the State of Arizona as an 'A'- rated facility
• Wandering dementia	• Individualized care planning
• Attending physician	• Chaplain services
• Skilled care	• Social services
• Wound care	• Antibiotic stewardship
• Private and semi-private rooms	• Special activities
• Nutritious meals, planned diet/snacks	• Transportation
